CARRIED UNANIMOUSLY

5.1 By-law 2025-05 - To Amend Zoning By-law

Jamie Suski, applicant, spoke in favour of the re-zoning as moving forward the conditions set for his subdivision application. He confirmed that the respective Provincial agencies had been contact regarding the required Heritage Resource Impact Assessment and assessment of the land as Class 6 & 7 soils.

Darlene Janssen, area resident, spoke in opposition to the proposed rezoning, noting her adjacent farm operation and the land's past use for grazing. She expressed concerns that increased residential density would disrupt the area's agricultural character, create conflicts with non-farm residents, raise taxes, contradict municipal and provincial farmland protections, and pose septic risks to her downstream property. She urged that the rezoning be rejected to protect the long-term viability and character of the agricultural area.

David Guild, area resident, spoke in opposition to the proposed rezoning, noting the land's longstanding agricultural viability, its historic use for grazing, and proximity to his farm. He stated that to re-zone the property would not meet the intent of the "AG" zone under the Zoning By-law and raised concerns about future conflicts with residential uses, including noise, dust, trespassing, loss of wildlife habitat, fire-protection demands, water and septic handling, school-bus routing,

and inadequate road access during flood years. He requested that the municipality deny the rezoning.

Dale Guild, area resident, spoke in opposition to the re-zoning by raising concerns with what impact the proximity of residential properties may have on future ability to continue cattle operations. He further noted concerns with loss of privacy with higher density, negatively affecting the quiet nature of the area.

Epilepsy and Seizure Association of Manitoba

Trevor Tuttosi
Reeve, Rural Municipality of Whitehead
office@rmofwhitehead.ca

Dear Reeve Tuttosi,

In 2012, the Government of Canada passed a law identifying March 26th as the officially recognized date for Epilepsy Awareness, Bill C-278, the Purple Day Act. Purple Day began in 2008, in Nova Scotia by Cassidy Megan, who wanted a way to let people living with epilepsy that they are not alone. Purple Day has grown and became an internationally recognized day for epilepsy awareness.

As part of recognizing Purple Day, landmarks around the world have lit up purple in support. In Canada, landmarks such as Niagara Falls, the CN Tower, the BC Legislature, SaskTel Centre and many more light up purple for Purple Day.

1 in 10 people will experience a seizure in their lifetime, with over 23,000 people living with epilepsy/seizure disorder in Manitoba, a number which does not reflect the true impact of epilepsy on people, their lives and the lives of their loved ones. Epilepsy/seizure disorder is so much more than the physical seizure(s), there are physical, emotional, psychological, social as well as financial impacts with the diagnosis.

In 2025, we were privileged to receive support from Cities, Towns, and Rural Municipalities and Municipalities across Manitoba, through purple lighting, Purple Day Proclamations, as well as social media posts acknowledging Purple Day. We are hoping to continue the momentum in 2026 and build on the Purple Day support network in Manitoba!

We are writing today to ask for support from the Rural Municipality of Whitehead in acknowledging Purple Day 2026. There are numerous ways to engage in Purple Day; a Proclamation recognizing March 26th as Purple Day, through the illumination of a building purple, or putting up strings of purple lights, a message on a digital sign promoting Purple Day, decorating a door or wall purple, staff wearing purple or the promotion of Purple Day on social media.

We welcome all efforts to help promote awareness of epilepsy/seizure disorder. We have developed a media tool kit which is available on our website, with posters, social media banners and information on Purple Day, all made easily accessible with a click!

We would very much appreciate your support in helping Epilepsy and Seizure Association of Manitoba to promote awareness of epilepsy/seizure disorder while showing people in Manitoba

1 The number of approved Provincial Police Service positions on the detachment Organisation Chart

Hello All.

This quarter was steady in personnel for Blue Hills. We have one member on maternity leave and two on long term sick leave. We lost DSA Cheryl Drummond of Brandon Detachment to retirement. DSA Stella Akomolafe from Souris transferred into her position. The Souris clerk spot was advertised. Testing will be complete by the time you read this. Ideally, we will have a replacement named for February. Your direct contact NCOs are Cpl Grant Campbell (Carberry), Cpl Jacob Stanton (Brandon) and Cpl Brian Woytkiw (Souris).

2 REPORTING SCHEDULE

The reporting schedule as determined in consultation between the RCMP and the municipalities.

3 MANAGEMENT OF THE POLICE SERVICE:

3.1 Objectives, Priorities and Goals for 2025/26:

As per previous discussion and letter of agreement. We are looking at 3 main categories this year; Traffic, Crime Reduction and Communication.

RCMP's Planned Initiatives to Meet Objectives, Priorities and Goals:

3.1.1 OBJECTIVE: Crime Reduction

Initiative #1: Targeted Enforcement Impaired Drivers

Current Status and Results:

We have charged 6 individuals with impaired operation of a motor vehicle as an entire Area this quarter. We are now at 18 for the year. Our goal is 30 for the year, that's an increase from last year. Our current human resource issues are impacting our numbers here and in most areas.

Initiative #2: Targeted Traffic Enforcement

Current Status and Results:

We ran a checkstop and some traffic enforcement initiatives. We had mixed rates of success.

That being said, we had 590 Provincial traffic offences this quarter. 379 cleared by charge and 86 by warnings or other means. A couple of flight from police cases as a result of our efforts.

3.1.2 OBJECTIVE: Crime Reduction – Property Crimes

Initiative #1: Criminal Compliance Checks

Current Status and Results:

Our compliance check program continues to be successful. We have 2 people on the program. Unfortunately, one of these has no enforceable conditions from the courts.

Initiative #2: Community Mobilization (HUB) Referrals & Restorative Justice

Current Status and Results:

We have referred no individuals to Community Mobilization in an effort to funnel them out of policing resources and get them in touch with other agencies with an appropriate mandate for their issues. Our Community Mobilization Member; Cpl Dey-Thomas has retired and has still not been replaced. There has been no word on this.

We have made no referrals to the Restorative Justice program. In this quarter there have been no suitable cases for forwarding. The Province has undergone a significant change in the Judicial system with the new Pre-Charge mandate. This mandate takes almost all control away from police and the public when deciding on who will be charged criminally and who will not be. Part of the program is to make more use of restorative justice programs, as such the Crown is now making the majority, if not the entirety of referrals.

There is now a new process for referrals, to streamline the system and make it more unified. As noted our referrals are coming out of the Crowns office. We do not track these numbers.

This has not changed since the previous reporting year.

Initiative #3: Encourage the Use of Judicial Authorizations

This quarter shows no search warrant written. We do however have warrants in the works that will not show completion until thew upcoming quarter. We are sending a member on additional training in this area for any future warrants, when that training becomes available.

As a result of our current numbers in these 3 areas, we are now focusing on additional training and education for the membership. Ideally, this should help us in some proactive investigations and projects.

3.1.3 OBJECTIVE: Employee Engagement & Wellness

Initiative #1: Internal Communications Monitoring

Current Status and Results:

Communication levels remain at an acceptable level. We were unable to hold an Area meeting this quarter. We did a couple of informal ones, as well as performance meetings with each member. Morale continues to be up despite HR shortages. No concerns here, the team is doing well.

3.1.4. OBJECTIVE: Modernization / Enhance Service Delivery

Initiative #1: External Communication Monitoring

We hit more than 26 individual contacts with the Council offices over the quarter. We also did 2 community events, namely Remembrance Day events and the Carberry Christmas Light parade. We were unable to attend Rivers for their parade, but hopefully next year.

Let me know if you are seeing too much or too little of us. As previously noted, each Detachment now has a posted Corporal as your direct contact. I'm still happy to talk to you, don't worry!

Initiative #2: Updating Night Vision Capabilities

A decision was made and a new unit was purchased. The equipment has already proved useful in assisting members in a night time high risk arrest as well as site searches.

Initiative #3: Completion of the Brandon Cell Block

This is a long-term project that has been ongoing for several years, as we lost access to the Brandon Correctional Center during Covid. We are now open for business! There are a few modifications being completed as we iron out the kinks. We are progressing. We have had some customers but are in search of guards. If you know anyone that can work random hours and likes to be seated, let us know!!

3.1.5. OBJECTIVE: Reconciliation & Relationships with Indigenous Communities

Initiative #1: Increase Contact With First Nations Communities

The Blue Hills Area does not have any First Nations councils within it. We have the Casino by Carberry and the gas bar North of Brandon, both are owned/operated by First Nations outside of Blue Hills. We also have a Metis Federation office in the City of Brandon. Again, the City of Brandon is not within Blue Hills jurisdiction. We do have Metis and First Nations persons residing in the area. I was asked by the West Region CFS Child Abuse Committee to join them as a voting member and sit on the board. This will meet our obligations within this objective. I have attended 2 meetings over this quarter. We have surpassed the set goals here.

4 CURRENT ACTIVITY STATISTICS –

Please refer to the attached statistical report for the current quarter. The same quarter last year for your municipality has been included for comparison. I have also included the current and previous quarter for the Area as a whole.

4.1 TRENDS/POINTS OF INTEREST/VALUE

This quarter we had **22** calls for service under the Mental Health Act. We had **25** reports of assault and related, **18** utter threats/harassment, 0 Child Pornography Possession (nice change), 0 Sexual Assault (another nice change), 1 Sextortion, 1 Sexual Interference, **1** Incest, 3 Criminal Harassment. 6 weapons related calls, **64** requests to check the well being of individuals, 19 calls for emergency 911 response, **33** false alarms and **14** (way down) reports of suspicious people. **36** theft related and 11 Break & Enter calls. We laid 1 charge for possession of stolen property over \$5000. This is part of the

well over \$150000 stolen property recovery we had. You might have seen it in the news. As I'm writing this, members are hunting down a stolen truck that is now visiting farmyards for what I can only assume is a nefarious purpose.

Frauds in general are still ongoing, we had **12** reported, so be careful. If you get a call from someone claiming to be police, remember we don't ask you to send cash or e transfer or give us amazon cards. We darn sure don't tell you to keep it a secret from everyone. Listen to the bank if they warn you about pulling money out of your account, or ask you why you want the money.

This is just a sample of the investigations we have engaged in. Please see your specific area report for further local details.

The members put on 34890 KMs this quarter.

Keep your eyes open. We are out there!

As usual, call, text or email if you need to talk to me or see me. I'm around.

S/Sgt Clint Wikander - Blue Hills Area Commander
